# Special Back-to-School Issue

# The Winonan

September 25, 1996

Winona State University's First Student Newspaper

Established in 1922

V. 25 #1

## Editors Note

For the record, this is not a regular issue of the Winonan. This is a special issue. This is a non-news issue.

Every club was given the opportunity to write about their club for this special Back-to-School issue. They were told to include anything they felt readers should know about their organizations. The Winonan staff did not write the stories, but we did edit for technical stuff.

There are many clubs on this campus, and we know that the clubs represented in this issue are not the only ones worth looking into joining.

But we hope this special issue helps all students - new and returning - to know what clubs are available for them to join.

Sally A. Miller, Editor

## Political Science Association

Anyone interested in political science would do well to check out the Political Science Association.

Political science majors are encouraged to join, although all majors are welcome.

In addition to having guest speakers and discussions on political issues, PSA meetings allow students to share research papers and offer help to each other.

Political science majors that have obtained enough credits can apply to join Pi Sigma Alpha, a national political science honor society. Membership in this society has numerous benefits, especially in seeking employment in the political field.

In the spring the of the year, PSA attends the Midwest Political Science Association Convention in Chicago.

This year, the club hopes to be much more active around the campus. Fund-raisers are being planned to help the club achieve its goals.

PSA is a great way to meet people with a common interest and to have a good time.

Meetings are every other Wednesday at 5:00 pm. The display case on the first floor of Minne Hall will post meeting times and agendas. For additional information, contact PSA President Nick Burt via email @ "w3e3e3n", or Vice-President Howard McCann @ "hmcann4326".

## Pi Lambda Phi

Pi Lambda Phi, the first non-sectarian fraternity, is the only international social fraternity at Winona State University.

Pi Lam offers companionship through brotherhood that enriches the college experience while retaining one's individuality. The fraternity also assists in developing practical skills for the future, including organizational and motivational skills necessary for a career in any field.

Annual events range from parties to community service. Well-known events include sponsoring the Miss WSU contest, Garvin Heights clean-up, the Marriage and Divorce party, and more...

Pi Lams are proud to be the first fraternity in WSU history to purchase a house. This event confirms the staying power of Pi Lambda Phi on WSU campus. The house is located at 251 Washington. Stop in and check it out.

Pi Lambda Phi meets each Sunday at 4:00 pm in the Kryzsko Commons.

Anyone interested in learning more concerning the fraternity should contact Rush Chairman Bill Weist at 454-2802. Posters are located throughout the Commons which list times and places for informational meetings held quarterly.

## MSA

The Muslim Student Association (MSA) was founded in 1982 at WSU with the primary objective of providing Muslim students and faculty a forum to discuss and pursue mutual interests. The MSA organizes and participates in various activities, on and off campus, to facilitate Islamic practices and the dissemination of information to those interested. All individuals who support its objectives are welcome to become members, without any fees. Currently, there are over 150 student members who join the weekly, monthly, or yearly meetings. The MSA at WSU is an official chapter of the MSA's of USA and Canada.

-Friday Prayers are held 1:00 - 2:00 pm every Friday, in the East Cafeteria Dining Rooms in Kryzsko Commons. Anyone is welcome to sit for the sermon and prayer, if they notify a MSA officer in advance.

-Study group meets Saturdays from 8:00 - 9:00 pm in the East Cafeteria Dining Rooms. The study includes recitation and interpretation of the Qur'an, reading of examples of Prophet Muhammad (peace be upon him), and discussion of local and international issues relevant to Muslims. Refreshments are provided. Visitors are welcome.

-Monthly Potluck dinners are held the last Saturday of every month in the Lake Park Lodge by Lake Winona, two hours before sunset. Meet Muslim students, faculty and families from the

Winona and La Crosse areas. Enjoy a variety of ethnic dishes.

Upcoming Activities:  
-Islam Awareness Week will be held early in Winter Quarter.

-MSA Soccer team will participate in the Soccer Tournament at WSU. New players are welcome.

-MSA takes part in presentations at local schools, churches, and community centers. Call if you would like to arrange a discussion or presentation.

-MSA distributes free copies of the Qur'an and informative books on Islam, Muslim and religion. The MSA web site contains many other the pamphlets that are available.

Internet Address: under Student Interests at <http://www.winona.msus.edu>.

## Amnesty International

Amnesty International is an independent worldwide movement working for the international protection of human rights. It seeks the release of

people detained because of their beliefs, color, sex, ethnic origin, language, or religious creed, provided they have not used nor advocated violence. These are termed prisoners of conscience. It works for fair and prompt trials of all political prisoners and works on behalf of such people detained without charge or trial. It opposes the death penalty, torture, or cruel, inhumane or degrading treatment or punishment of all prisoners.

If you are interested in joining the WSU chapter, our meetings are Sunday at 4:30 pm, Minne 107.

## WSU Ultimate Frisbee

Winona State University's men's and women's Ultimate Frisbee teams are looking for students interested in the sport that closely resembles football and soccer.

Ultimate Frisbee is a club sport that has been a part of the university since 1978.

Students involved encourage all actively enrolled students at WSU to try to at least familiarize themselves with Ultimate Frisbee.

Practices are held on the field near the Jaycee Pavilion on East Sarnia Street every Monday through Thursday from 4:00 - 6:00 pm, and on Saturdays at 1:00 pm.

Since everyone is very busy, team members are not required to attend every hour of every practice.

The teams compete in tournaments around the country against other club teams and college teams in men's, women's and coed brackets.

Any student that is interested in joining or learning more about Ultimate Frisbee, contact Dennis, Renae, Tracy or Mike at 454-0589, or just show up at a practice.

## Political Science Association

Anyone interested in political science would do well to check out the Political Science Association. Political science majors are encouraged to join, although all majors are welcome. In addition to having guest speakers and discussions on political issues, PSA meetings allow students to share research papers and offer help to each other.

Political science majors that have obtained enough credits can apply to join Pi Sigma Alpha, a national political science honor society. Membership in this society has numerous benefits, especially in seeking employment in the political field.

In the spring the of the year, PSA attends the Midwest Political Science Association Convention in Chicago.

This year, the club hopes to be much more active around the campus. Fund-raisers are being planned to help the club achieve its goals.

PSA is a great way to meet people with a common interest and to have a good time.

Meetings are every other Wednesday at 5:00 pm. The display case on the first floor of Minne Hall will post meeting times and agendas. For additional information, contact PSA President Nick Burt via email @ "w3e3e3n", or Vice-President Howard McCann @ "hmcann4326".

## Dance! Dance! Dance!

Do you like to dance? Do you like to watch dance? Then why are you sitting there? Pick up your feet and dance you way over to the Performing Arts Center. Dance Society meets every other Thursday at 4:00 in the PAC Green Room.

This is a great opportunity to meet others who share your love for dance. You don't have to be a dance minor to join. Everyone is welcome!

We especially encourage anyone who is interested in being in Dancescape (our spring dance concert) to come and take part. We have many exciting things planned for the year.

partaking in a dance education workshop, performing at the Mega Mall, and going to the American College Dance Festival. This year we are pleased to have an artist in residency as our advisor. Kim Nofsinger will bring exciting new ideas to the dance department. It should be a great year! We hope to see you at our next meeting on October 3.

If you have any questions or would like more information, contact Kim Nofsinger at 457-5391, or this year's Dance Society President, Autumn White, at 452-7588.

## WSU Ultimate Frisbee

Winona State University's men's and women's Ultimate Frisbee teams are looking for students interested in the sport that closely resembles football and soccer.

Ultimate Frisbee is a club sport that has been a part of the university since 1978.

Students involved encourage all actively enrolled students at WSU to try to at least familiarize themselves with Ultimate Frisbee.

Practices are held on the field near the Jaycee Pavilion on East Sarnia Street every Monday through Thursday from 4:00 - 6:00 pm, and on Saturdays at 1:00 pm.

The teams compete in tournaments around the country against other club teams and college teams in men's, women's and coed brackets.

Any student that is interested in joining or learning more about Ultimate Frisbee, contact Dennis, Renae, Tracy or Mike at 454-0589, or just show up at a practice.

## International Association of Business Communicators

Welcome to the world of communication. Jobs are abounding for mass communication, communication studies, organizational communication and marketing majors, but many employers hire only those with experience and understanding of the communication function. International Association of Business Communicators (IABC) helps put you at the top of your class and your profession. IABC offers communication students opportunities to meet, talk and network with the pros, connect with companies that are hiring, receive updates on the newest technology and communication trends, attend workshops on job interviewing, resume writing, and WWW publishing.

IABC-WSU is a student chapter of IABC Minnesota, the fourth largest chapter worldwide. It's easy to join! Simply call President Sarah McHugh at 454-1712, or attend the first meeting to receive an application form. Membership is \$25/year and members receive:

- Communication World, a monthly magazine for students and professionals
- News and Views, a monthly newsletter from IABC Minnesota
- Free access to Job Mart
- Free access to the Communication Bank

- A listing of all IABC Minnesota professional members
- Discounts to all IABC events
- Resume building experience
- Links to internships
- Networking, networking, and more networking

IABC meets every Tuesday at 8:00 pm in Phelps-Howell Hall, room 135. IABC members are also invited to the 1996 "Meet the Pros" event in St. Paul. Interact with the Twin Cities' top communication professionals. Learn how they do their jobs, what they look for in job candidates and how you can become an outstanding communicator. To find out more about "Meet the Pros" come to the weekly IABC meetings.

## WSU Accounting Association

The WSU Accounting Association is open to those students of the college of business who are in the process of pursuing an accounting major or minor. Activities that club members participate in include: visits with guest speakers from the profession; fundraising events; discussion related to the CPA exam; and opportunities to attend the annual fall Tax Conference. In addition, every year a faculty-student banquet is held during winter quarter and a Spring Trip and Picnic are planned for weekends in April and May.

Currently the club meets every other Wednesday evening in Somsen Hall. The next scheduled meeting will be Wednesday, Sept. 25. Check our bulletin board on third floor in Somsen near the Accounting Department for the latest club information and meeting schedule. For more information on membership, please attend our next meeting or call Dan at 452-5904, or Cindy at 454-6698.

## Nu Kappa Fraternity

After our rebirth last winter, Nu Kappa social fraternity is stronger than ever. With many aggressive new members, we are accomplishing more, at a faster rate, than we could ever imagine.

Nu Kappa is a local social fraternity that emphasizes a healthy balance of social and academic life for its members here at WSU. We successfully achieve this by promoting good study habits in conjunction with productive participation in various activities sponsored by ourselves and other campus groups. Study tables and GPA requirements are a couple of the programs in place to ensure that academics remain one of our primary concerns.

Community participation is also one of our priorities. Through fundraising and other activities, we strive to improve not only campus life, but also Winona Community life. One way in which we are helping Winona is by initiating an annual scholarship program for Winona Youth Soccer Association. This scholarship will be available every year to help kids who wish to participate but do not have the financial means to do so. Another way we try to help the community is through our yearly food drive which we hold in May to benefit Winona County Food Shelf. We are also currently working with WSU's B.A.C.C.H.U.S. chapter to decrease the number of alcohol related incidents and to increase safety for both WSU and the city of Winona.

With serious plans set to become a part of Tau Kappa Epsilon International Fraternity within the next couple months, our enthusiasm is endless. We are very excited to become a part of one of the largest fraternities in the nation with which comes innumerable privileges. Just a few of these include scholarships programs, job placement programs, another chapters across the entire country with their doors open for a visit anytime.

We meet every Sunday night at 5:30 in Dining Room E & F, and we look forward to having any young men interested stop in for more information. Or, if you would like to call for more information, please contact Eric at 453-1770, Dan at 454-0761, or Nate at 453-1830.

## Brat

## CEC

Welcome back to another year at Winona State! The Council for Exceptional Children (CEC) is looking forward to another great year, and would like to extend an invitation to all individuals interested in being involved in a professional association that promotes educational outcomes for individuals with exceptionalities to be a member of our organization. We are a national organization, but you need not be a national member to be a member of the local chapter. Our local chapter holds various meetings throughout the year. We are busy planning various activities and fund-raisers for the year, including the national convention - this year to be held in Salt Lake City. Keep a lookout in Gildemeister Hall for meeting times and locations. Our office is located on second floor Gildemeister in the Special Education office. Contact Lori Grupe at 3-1449 for more information or leave a note in her Special Education mailbox (#52), also located in the Special Education office.

Again, welcome back, and good luck for a wonderful year!

## Rugby

WSU Women's Rugby club is a great way to meet new people and stay athletically involved. Rugby is a combination between soccer and American football, with 30 on the "pitch" at a time. It's a fast-paced game that is fun to play! Since our team (the Katts) is a "club", there are no try-outs. No experience necessary, and students of all athletic abilities are invited to join.

We have two seasons per school year, one in fall and the other in spring. We usually practice two to three times per week from 5-7:30 pm. Matches and tournaments are on weekends.

It's a great experience to travel, while meeting different people. We play other collegiate women's rugby teams including the U of M, St. Cloud State, Mankato State, UMD, Luther College, UNI, UW-La Crosse, St. Olaf, Carleton College, St. Ben's, U of I, and Macalester.

If you think rugby may be for you, or have any questions, please call Cassie or Steph at 454-8943, or Stephanie at 453-1228. You can also email any questions to "smoss5288" or "sdecker1586".

## TRREC

The TRREC (Therapeutic Recreation & Recreation) Club of W.S.U. is composed of students who seek opportunities to acquire pre-professional knowledge and expertise in the fields of recreation. Members are actively involved in provisions of community, school and institutional projects which are designed to enhance the leisure experiences of able and challenged Winonians. As an organization, the TRREC Club also promotes professional development of its members through the sponsoring of various speakers, workshops, and conferences. The TRREC Club is for everyone, not only Therapeutic Recreation and Recreation and Leisure Studies majors, but anyone interested in having fun and getting involved in the community.

Meetings are held every Tuesday at 9:00 pm in Room 209, Memorial Hall. They usually last 30 minutes to one hour, depending on what is on the

agenda for the evening. All meetings and any other information about the club is posted on the TRREC bulletin board located in Memorial by office 137. To join, just show up to a meeting or contact one of the officers or the advisor.

Advisor: Dr. Lorene Olson, 457-5499, office 126 Memorial

President: Jennifer Bormes, 454-7993

Vice-President: Heidi Taylor, 454-6578

Secretary: Heather Smokey, 454-5639

Co-Treasurers: Andrea Schweiss, 452-0917 and Ross Nachreiner, 454-7089

Upcoming Events:  
NRPA Conference, Kansas City, MO, October 22-26

Halloween Party, TBA  
Spaghetti Dinner, October 6, see flyers for more details

TRREC for Kids, TBA (Activities on weekends with mentally and physically disabled children in the community).

## WSU Running Club

The WSU Running Club is a coed runner's organization in which runners of all skill levels meet to run and have a good time. It is so much easier to stay motivated and stay in shape when you have friendly faces to run with you!

We welcome everyone from the beginner to the experienced marathon runner, and we're here to help new and returning students form a network of "running buddies." We will be sponsoring the Alumni Run at the Lake Park Lodge on October 11, and we also attend several other local road races in the fall and spring. Running Club is a fairly casual affair--come when you can and run what you like. We meet in front of Talbot Gym at 3:30 MWF, 4:00 TR. We also keep track of your mileage so you can see how you're progressing! If you have any questions call Mike at 3-1851 or Beth at 3-1838. Hope to see you there!

## Cycling Club

The WSU cycling club has been established to promote bicycling events as well as a fun atmosphere to meet people and to ride for fun.

Mountain biking is the sport of choice for most members. Going to WSU you are lucky to live in an area with the best singletrack riding in the Midwest. We know where the trails are and ride them frequently.

Road biking is also represented in the club. We have many loops around the Winona area that range from easy to advanced.

Our club encourages men and women to join. We have riders of all abilities from beginner to expert.

Meeting new friends through the club is a great way to find people to stay in shape with. We usually set established group rides.

Many members also hang around together throughout the winter as well. Activities we do include snow boarding, skiing (downhill and cross country), snow shoeing, weight training, as well as many other things.

For those of you that are eager to start riding, we do offer a group mountain ride that meets every Wednesday at 4:00 pm at Adventure Cycle and Ski, one of our main sponsors, located at Fourth and Center.

Look for an informational meeting soon.

For more information, call Bob Utter at 457-9649.

## B-GLAD

B-GLAD is a support group for gay, lesbian, bisexual and transgender students, faculty and employees of Winona State University. Any member of the Winona community can also attend. B-GLAD's goals for the year are to create an awareness and understanding of the gay, lesbian, bisexual and transgender community, through speakers, videos and bi-weekly meetings.

The next meeting will be September 25th at 4:00 p.m. The meetings are held in Phelps room 116. The group is not exclusively for gay, lesbian, bisexual and transgender people but is open to anyone who would like to find out more about the group. If you have any questions, you can contact:

Cindy Killion- Group advisor 457-5098

Eric Belkengren- President 454-5836

Tonee Muenzhuber- Vice-President 687-6900 (not long distance)

We hope to see you at our next meeting!!

## Student Senate

As many of you know, this is a very important election year, as the US presidential race will be decided. Currently, many of you are not registered to vote and will not be able to vote this fall. Please REGISTER NOW if you plan on voting. Voter registration cards can be picked up in the Student Senate office and the Registrar's office. Completed cards can be dropped off in the Student Senate office or place in the box provided on the Student Union desk.

A student directory will most likely be printed. If you do not want your school or home addresses published, please contact the Registrar's office and have yourself placed on data privacy.

## Rep. Gene Pelowski

meets with WSU students during the 1996 Session to discuss the Higher Education Mandates Reduction Bill he sponsored and the Tuition Relief Bill he co-sponsored.

Share your concerns with Rep. Pelowski by email at [gpelowsk@luminet.net](mailto:gpelowsk@luminet.net) or by regular mail at 257 Wilson, Winona, MN 55987 or by phone at 454-3282.

Paid for by the Pelowski Volunteer Committee, 70 Hillsdale Ct., Winona, MN 55987

## WSU Forensics

Winona State University's Forensics team is gearing up for another active season of competition. Students will be given the opportunity to sharpen argumentation skills, engage in witty banter, build self-confidence, research, create, perform, and travel over the course of the seven month season. WSU Forensics incorporates two separate clubs: WSU Forensics (competitive speech team) and the WSU Debate Society.

Forensics is a co-curricular activity emphasizing the development of communication skills which are so essential today. Students in forensics compete in a variety of oral interpretation, public speaking and debate events, including interpretation of prose, poetry, drama, dramatic duet, reader's theatre, persuasive, informative, after-dinner, rhetorical criticism, impromptu, extemporaneous speaking, Lincoln-Douglas debate, CEDA debate, and various specialty events.

*Who can be in forensics?*

Any undergraduate student enrolled at WSU. Any WSU major is welcome to join the team. Currently, there are a wide variety of majors represented. There are no auditions for the forensics team, and no prior experience is required. We do have individuals on the squad who competed regularly in high school, however many of our most successful members had never heard of forensics before arriving at WSU. Some student wish to be nationally competitive and participate in many tournaments, other students may want to try forensics at a few tournaments. Either option is acceptable.

*Why would I want to be in forensics?*

- Forensics is an excellent way to develop skills and confidence in communication.

- Forensics is an excellent social activity. There is the opportunity to meet people from colleges and universities around the country.

- The majority of expenditures are financed by your student fees.
- Forensics gives you a chance to travel and see the hot spots of Minnesota, Wisconsin, North and South Dakota, Illinois, Nebraska and Iowa. Students in the past few years have also traveled to national tournaments in Maryland, Illinois, Utah, West Virginia, Florida, Georgia, New Jersey, Alaska, Washington and Alabama. This year's national tournaments are being held in Indiana, Pennsylvania, Kentucky, and Texas.

*How do I get started?*

- Come to one of the regular squad meetings held in the PAC Green Room on Mondays at 3:30 pm. All are welcome.

- Talk to one of the team coaches:  
Susan Collie (PAC 211, ex. 5233, email: [susancollie@vax2.winona.msus.edu](mailto:susancollie@vax2.winona.msus.edu))

- Steven Venette (PAC 235, ex. 5490, email: [svenette@vax2.winona.msus.edu](mailto:svenette@vax2.winona.msus.edu))

- Stephen Collie (PAC 207, ex. 5243, email: [scollie@vax2.winona.msus.edu](mailto:scollie@vax2.winona.msus.edu)) on sabbatical 96-97

- Stop by the Forensics Room (PAC 117) in between classes or in the evenings. Officers will have hours posted.

- Contact a member of the team. Leave a note in their mailbox.
- Those interested may also learn more through the team's world wide web page at: <http://www.winona.msus.edu/INTERESTS-S/announcetu/speech-debate.html>.

*Would I have time for forensics?*

YES! Each individual determines how much they wish to be involved and how much time they can invest. We have tournaments which start in September and continue through April, but each individual decides how much they wish to travel. You can also join forensics at any time of the year or any point in your college career. Your needs can be met!!

Stop by and check out the forensics team!  
Be a part of a winning tradition.

## RPSIG

## PARTY!

The Winona State Role Playing Special Interest Group (RPSIG) was founded in 1990. The objective of this club was to provide a place for role-players to gather and promote role-playing on campus. We have done this and much more.

RPSIG is one of the largest and most active clubs on campus. It is unique in that its membership includes both students, alumni, and members of the community. Each year, RPSIG hold two main events/fund-raisers. This fall will be our third year presenting our gaming convention, "Con on the River", which draws over 100 people from all over the Tri-State region. The other main event of the year is traditionally held the weekend after Easter. On that weekend, we hold our "Game-A-Thon", where members gather pledges to run and play games for 24 hours. The money raised goes to the Early Childhood and Family Education Program in Winona, of which RPSIG is one the largest single contributors.

RPSIG is mainly a gaming club. We gather to socialize and have a good time. Our meetings are held on the first floor of Minne Hall on every other Saturday of the school year, starting September 14. The meetings run from noon until midnight, with a scheduled dinner break. We play a variety of role-playing games from AD&D to Vampire, board games like Monopoly and Risk, also war games such as Battletech and Warhammer.

So come to a meeting and check out what we're all about. It's sure to be fun!
